TIPS&TRICKS

How to curate a bookshelf

1. Treat each section of your bookshelf as a separate display.
2. Place larger items on the bottom shelves
3. Mix smaller items between your books on the top shelves
4. Use some sections to only display books
5. Colour-coordinate one section
6. Stack books vertically between others that stand horizontally
7. Add little objects to finish off the display
8. Place a small picture or a sculpture next to a series of books
9. Display photographs in one section
10. Use decorative storage boxes for small items
11. Cluster vases, bottles or ceramics in the same style or colour
12. Stand back and be proud of your curated bookshelf!
