Downsize with Style

My Dream Study/ Work Space

I want the study to be:

A must have is:

The focal point is:

I would love to have:

My Dream _____ (add additional rooms)

Downsize with Style

Prioritise

At this stage it can become quite frustrating when you compare your available space, what you actually need to create a stylish home in a smaller space with your wish list. Now it is time to prioritise! Think about what suits your lifestyle and where you need quality products that have a special functionality or feature.

My priorities are:
