WORKSHEET ROOM ASSESSMENT

Sit down with a cup of tea and **assess each room** in your apartment. Analyse how you are going to use this space and what exactly you want to achieve. Answer the questions below to get a clear picture. Write down everything that comes into your mind how to best use the space you are working on, which challenges you need to address and what you would love to have in your new space (DREAM BIG!)

Room Assessment:

How are you going to use this room/ space?

What mood or atmosphere would you like to achieve?

Which colours do you like?

How could you incorporate them in this space?

What would you like to be the focal point in this space?

Which furniture would you like to use in this space?

What would you need to buy?

Which storage units will you need?

What would be nice to have?
