

## Sigma sanitaryware from Geberit

The Astonia Residences at Milsons Point feature signature-look bathrooms using Geberit's elegant Sigma01 button designs and finishes. Architect: Nettletontribe.

Urban living is on the rise, with more people choosing a low-maintenance apartment lifestyle. For architects and designers, Geberit Sigma offers flexibility and unparalleled design freedom to create contemporary bathrooms for discerning homeowners.

The hidden cistern and wall-hung pan create a clean look and allow uninterrupted floor tiling while maximizing space. Specifying Geberit means using quality products with an industry-leading cistern warranty and spare part availability.
